Sixteen Local Service Agencies gather to share with the Community on addiction and mental health services

Date: November 24, 2011

Attention: Local news and health reporters and producers

Guelph Ontario • For Information

Trellis Mental Health and Developmental Services and the Guelph General Hospital are hosting a coffee break with 16 local community agencies who deliver mental health and addiction services in our community. The following agencies will participate on Tuesday, November 29th from 9:00 – 11:00 am at the Guelph General Hospital in the Auditorium in the Knowledge Café:

Assertive Community Treatment Team (ACTT)	Family Counselling and Support Services
Canadian Mental Health Association	Transitional Care and Case Coordination
Stonehenge Therapeutic Community	InReach Program – Street Gang Prevention
Community Outreach and Support Program	St. Mary's Counselling Service
Community Torchlight	Wellington Guelph Drug Strategy
CADS-Homewood	Guelph Wellington Victim Services
Drop In Centre	GGH SA/DV Care Centre
Adult Ambulatory Mental Health, Grand River Hospital	
The Centre for Psychological Services, University of Guelph	

“We’re excited to partner with the Guelph General Hospital to host this Café for our community. We wanted to create an opportunity where the community and staff from each organization could learn more about the many mental health and addiction services that are available in our community,” said Fred Wagner, Executive Director of Trellis.

Trellis is a client driven organization committed to helping individuals and families facing mental health and developmental challenges. Funded by provincial and local governments and agencies, we have offices in Guelph, Wellington, Dufferin and Kitchener. Our team of compassionate staff and dedicated volunteers are committed to helping clients live life to the fullest. www.trellis.on.ca
