

Trellis believes in hope and in living life to the fullest. We are an organization committed to assisting people with mental health and developmental challenges. We believe that everyone dealing with mental health or developmental challenges has the potential to lead a happy and active life.

Trellis believes in you. We offer careers enriched by the value of meaningful work and making an investment in our community. Our employees are guided by Trellis' Mission, Vision, Values and Code of Conduct.

We are recruiting for a **Case Manager**
- This is a full-time contract role (35 hours per week) for 3 months based in Guelph

This role is responsible for:

Providing recovery oriented support to clients with serious mental health challenges and their families. This will include providing comprehensive mental health assessments, consultation to community partners and group support as well. A comfort in providing community based care is a must.

The incumbent requires:

- a degree/diploma in a human services profession
- experience in outreach and long term support
- minimum of three year's experience providing community based mental health services
- demonstrated assessment and intervention abilities
- effectiveness in a multi-disciplinary environment
- strong interpersonal and communication skills (verbal and written)
- demonstrated understanding and sensitivity to social and cultural diversity
- organized and able to adapt to competing and changing priorities
- proficiency with MS Office, Outlook and internet based tools
- experience working with clinical software (Case Works)
- a well-developed ability to work within a team environment
- demonstrated adaptability and responsiveness to an evolving and growing service context
- a valid driver's license and personal transportation are required

Our management team encourages employees to take up opportunities for development, training and promotion. We offer competitive wages and benefits and promote work-life balance. We are an employer striving for equal opportunities and diversity in the workplace.

We make a difference by being collaborative, providing person-centred care, delivering great services and being a great place to work.

Apply by July 30, 2010; include the position title in the subject line.
